

Leadership

We are a proud member of the Association of Related Churches. We are aligned in ministry style and philosophy with the ARC. Church at the Beach is an elder governed, staff led congregation. We have a senior board of overseers who hold the pastor accountable and advise with both spiritual and financial matters.

Elders will come from within the local congregation during the next few years to provide a second layer of accountability. Our current board of overseers each has individual ministry background and wisdom. They are committed to serving Church at the Beach with their insight.

They are:

Rev. Scott McLean

Dave Ramsey Certified Counselor

Dr. Leanne Polvado-Benton
